Dear Mr. Lawler:

Mr. Johnson placed the fair market value of the E.Q.V. refrigerator at \$150 and our Comptroller advises that you have paid cash of \$275 on the \$500.00 loan referred to in my letter of June 13, 1968. The balance due Wesleyan, therefore, is \$75.00. We would appreciate it if this, plus interest, could be paid before June 30th. Mr. Wilcox can tell you what the interest will amount to.

Sincerely yours,

Howard B. Matthews  
Vice President and Treasurer
